3. As no State Level Recruitment Committee list was made available, the above 7 officials were re-appointed as Stenographers (Local Candidates) against the direct recruitment vacancies for a period of nine months from 19th July 1965. They were further reverted as Typists after the expiry of the period of nine months with effect from 18th April 1966 to provide places for 35 candidates assigned by the State Level Recruitment Committee during 1966 for appointment as Stenographers in the Mysore Government Secretariat.

Subbaraju) were appointed on 26th July 1967 as Stenographere (Local Candidates) for a period of nine months and they have been continued for a further period of six months from 26th Aprl 1968 or until the P.S.C. candidates are made available whichever is earlier. The Typists mentioned in Sl. Nos. 1 to 4 and Sl. No. 5 under para 1 above were promoted as Stenographers on 26th July 1967 and 30th December 1968 respectively in the promotional vacancies by virtu o their seniority in the cadre of Typists.

Sri M. S. KRISHNAN.—Yesterday's questions were taken up today and you permitted 20 minutes for those questions. So, why not the Chair allow today's lapsed questions to be taken up tomorrow ?

Mr. SPEAKER.—I do not propose to do it. That is why in the beginning itself I requested hon. Members to exercise restraint in putting supplementaries. They did not do it. What can I do ? I cannot permit anybody to raise any matter without notice.

Complaint against non-inclusion of Member's Questions and Answers in the daily list of Questions and Answers

Sri N. A. CHANNE GOUDA.—Sir, I have a submission to make. The House is sitting till the 30th and there are hardly four days for the close of the session. I have sent eleven questions and only three have been answered. I understand from your office that answers to my remaining questions have come. Still they are not including them in the list. On the other hand two or three questions of some hon. Members are coming up for answers daily. There seems to be something wrong with the Legislature Secretariat. Our questions are put in the end and as they are not reached, they lapse.
